ORDER

As per Government order read as 2nd paper above, sanction was accorded for shifting of employees under the establishment of Director of Health Services in the Health Service Department, to the corresponding posts in Department of Medical Education as ordered vide Government order read as first paper above, based on the options given by the employees, as part of abolition of dual control system. Inter-departmental transfer in the case of Nursing category from Health Service Department to the Medical Education Service has not been completed so far due to various reasons. It has been brought to the notice of the Government that several employees in the Nursing category under Director of Health Services who could not exercise their options in time are willing to move to Medical Education Service and they should be given one more chance to submit options to move to Medical Education Service.

2. As per the Government order read as 3rd and 4th papers above, the options exercised by 3072 employees including 330 Head Nurses and 1164 Staff Nurses Grade-I & II under Director of Health Services were accepted and they were transferred to Medical Education Service by shifting their lien. In Government order read as 5th paper above, Government had further ordered that juniormost employees in Health Service Department, who are excess in each category alone will be redeployed to Medical Education Service in the balance posts in Medical Education Service.

3. Government have examined the matter and order that the employees working
